Who Are We?

Celebration Dance classes provide the highest quality of dance training in a caring, supportive, and God-centered environment.

Classes Offered/ What To Expect In Class

Celebration Dance offers **Ballet, Pointe, Jazz, Contemporary, Modern, Hip Hop, and Children's Dance** classes.

Our classes are highly structured and centered around a syllabus with instruction in correct technique for each movement. This allows dancers to gain the strength in muscles needed for each movement and style, to understand the dance terminology, and to learn the movement in ways that can be built upon throughout their training years.

We hope to train strong dancers who love what they do. To discover their passion and experience the joy that can be found in commitment and hard work. We strive to live by example and inspire students to kindness and respect. We hope to provide mentorship opportunities as well.

Pricing Per Costume

Celebration Dance offers both a winter and a spring recital. We purchase costumes in early September for the winter recital and in November for the spring recital.

Ages 3-6 - \$45 per costume

Ages 7-9 - \$50 per costume

Ages 10 and up - \$55 per costume

- ◆ Costume fees will be posted to your account in September (winter recital) and November (spring recital). Costumes will be purchased that month in order to get them in time for our picture days.
- ◆ We will reach out in October to confirm your sizing preference for your spring costume. Any dancer who wishes to adjust spring classes will need to let us know before we purchase spring costumes in November.
- ◆ We ask that you take your dancer's measurements and add them to your account, under your NOTES before classes begin in September.
- ◆ We will need the waist, hip and girth measurement to get a correct costume fit. The girth measurement is taken from the top of the shoulder, down the front and around the crotch, coming up the back to meet at that same shoulder. It is a circular measurement.

Families may enter Celebration Church through the main lobby sliding doors. Doors will be unlocked 15 minutes before the first class of the day. If arriving earlier, please use the “Front Office” entrance. Teachers will only be there 15 minutes before the first class of the day.

Our studios are to the right of the main lobby and down the first hallway for studio B and the second hallway for studio A and C.

We have a waiting area with seating in the main lobby, as well as in the smaller lobby between the 3 studios with bench seating.
