

WHO WE ARE

Belonging Youth Ballet started in 2022, the beautiful imaginings and creations of the Gorton girls, Amelia and Abby, as well as our artistic director Kirsty. We had a dream to start a ballet company for our students and were able to bring to life two incredible productions last year. The best part is that we are able to offer our students and audiences a gorgeous show, sharing the amazing talent of Celebration Dancers who have such a gift for storytelling and creating beautiful and meaningful things.

WHAT TO EXPECT

In Belong Youth Ballet your dancer will audition to determine what role she will receive. The audition is for ages 9 and up. Nothing needs to be prepared for that audition, however your dancer needs to be enrolled in a ballet class to be in the company.

After the audition, dancers will be cast and casting will come out before rehearsals begin. Based on that casting, we will set our rehearsal times.

Rehearsal times will be given to the dancer at the beginning of each month. They will be between 9 and noon on Saturday mornings. Younger dancers will not be there the entire time, often just for an hour. Depending on the requirements of the role, some dancers will be there the entire time. For our last 6 weeks of rehearsal, you can likely expect to be there for the full 3 hrs.

There is no costume expense for this production.

TUITION

Tuition will be based on the length of rehearsals. But tuition can be expected to be \$65 or \$100 monthly.

PERFORMANCES

Performances will be held on April 12th + 13th.
Dress Rehearsals will be held on April 6th + 10th.
